

# SUIT

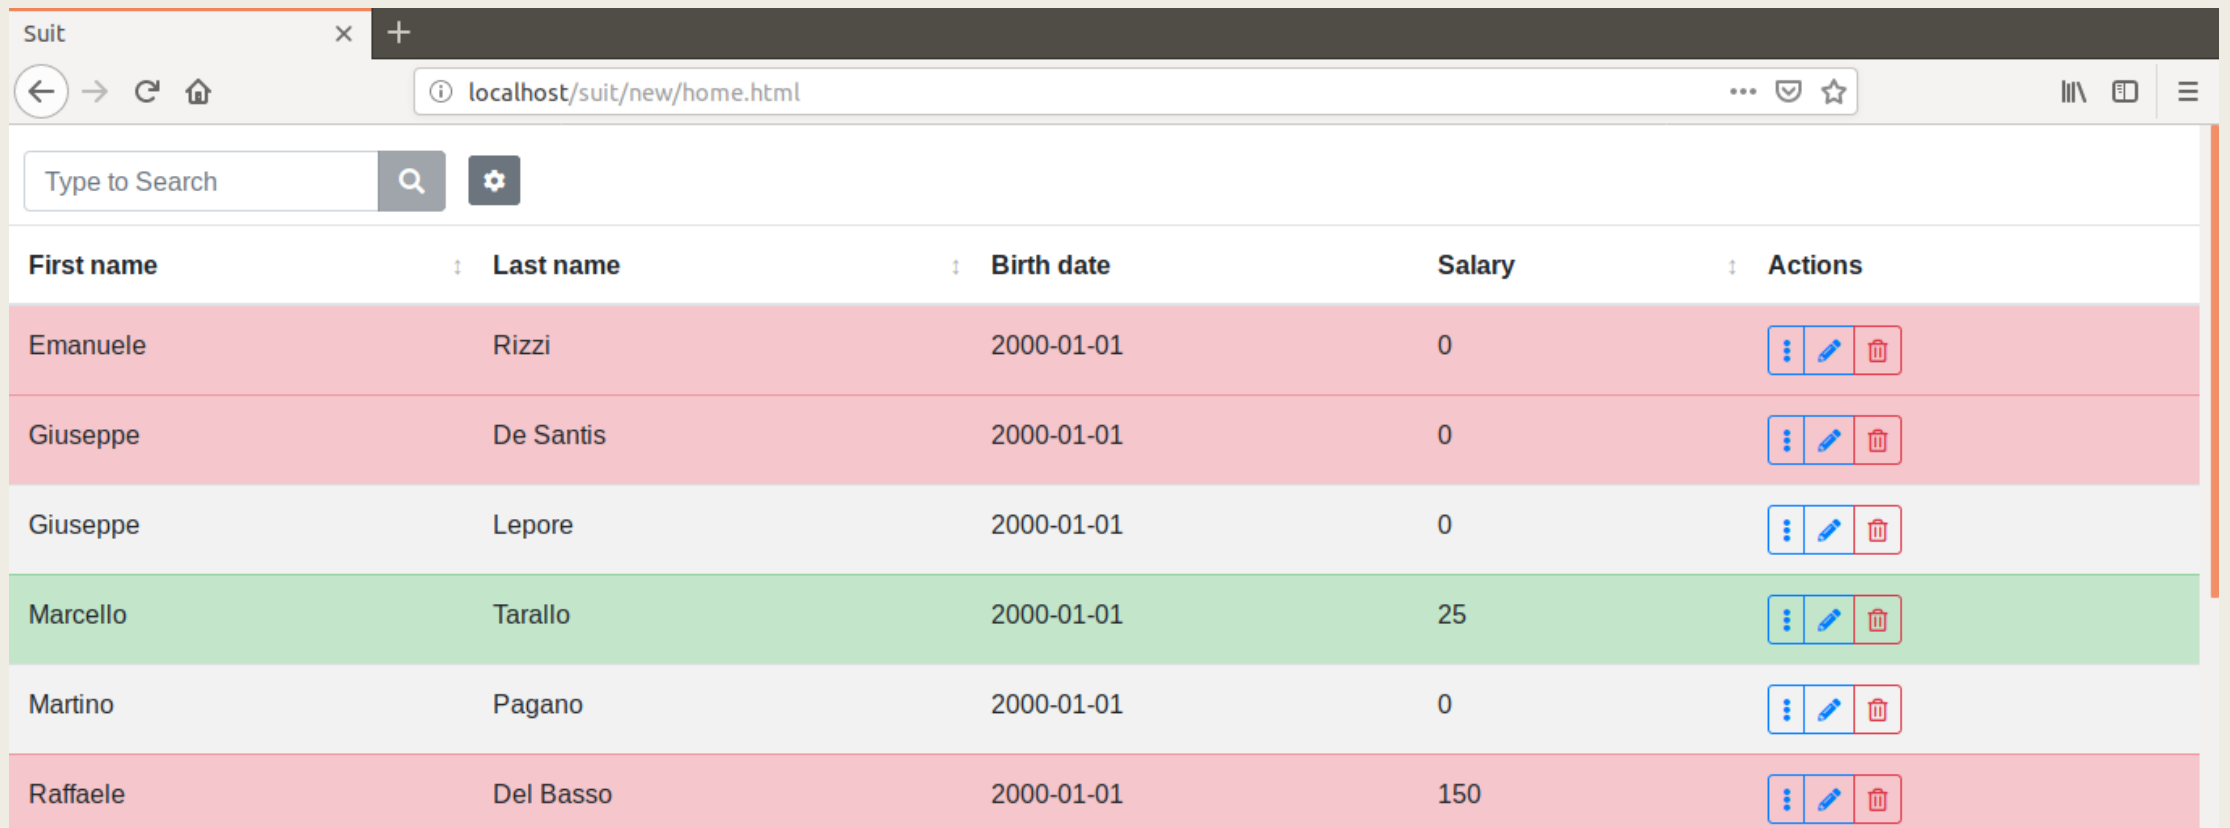

## ALTERNANZA SCUOLA-LAVORO

2018/2019

# What is «Suit»?

Suit is our HR management web app that aims to simplify the process of finding and hiring potential candidates.

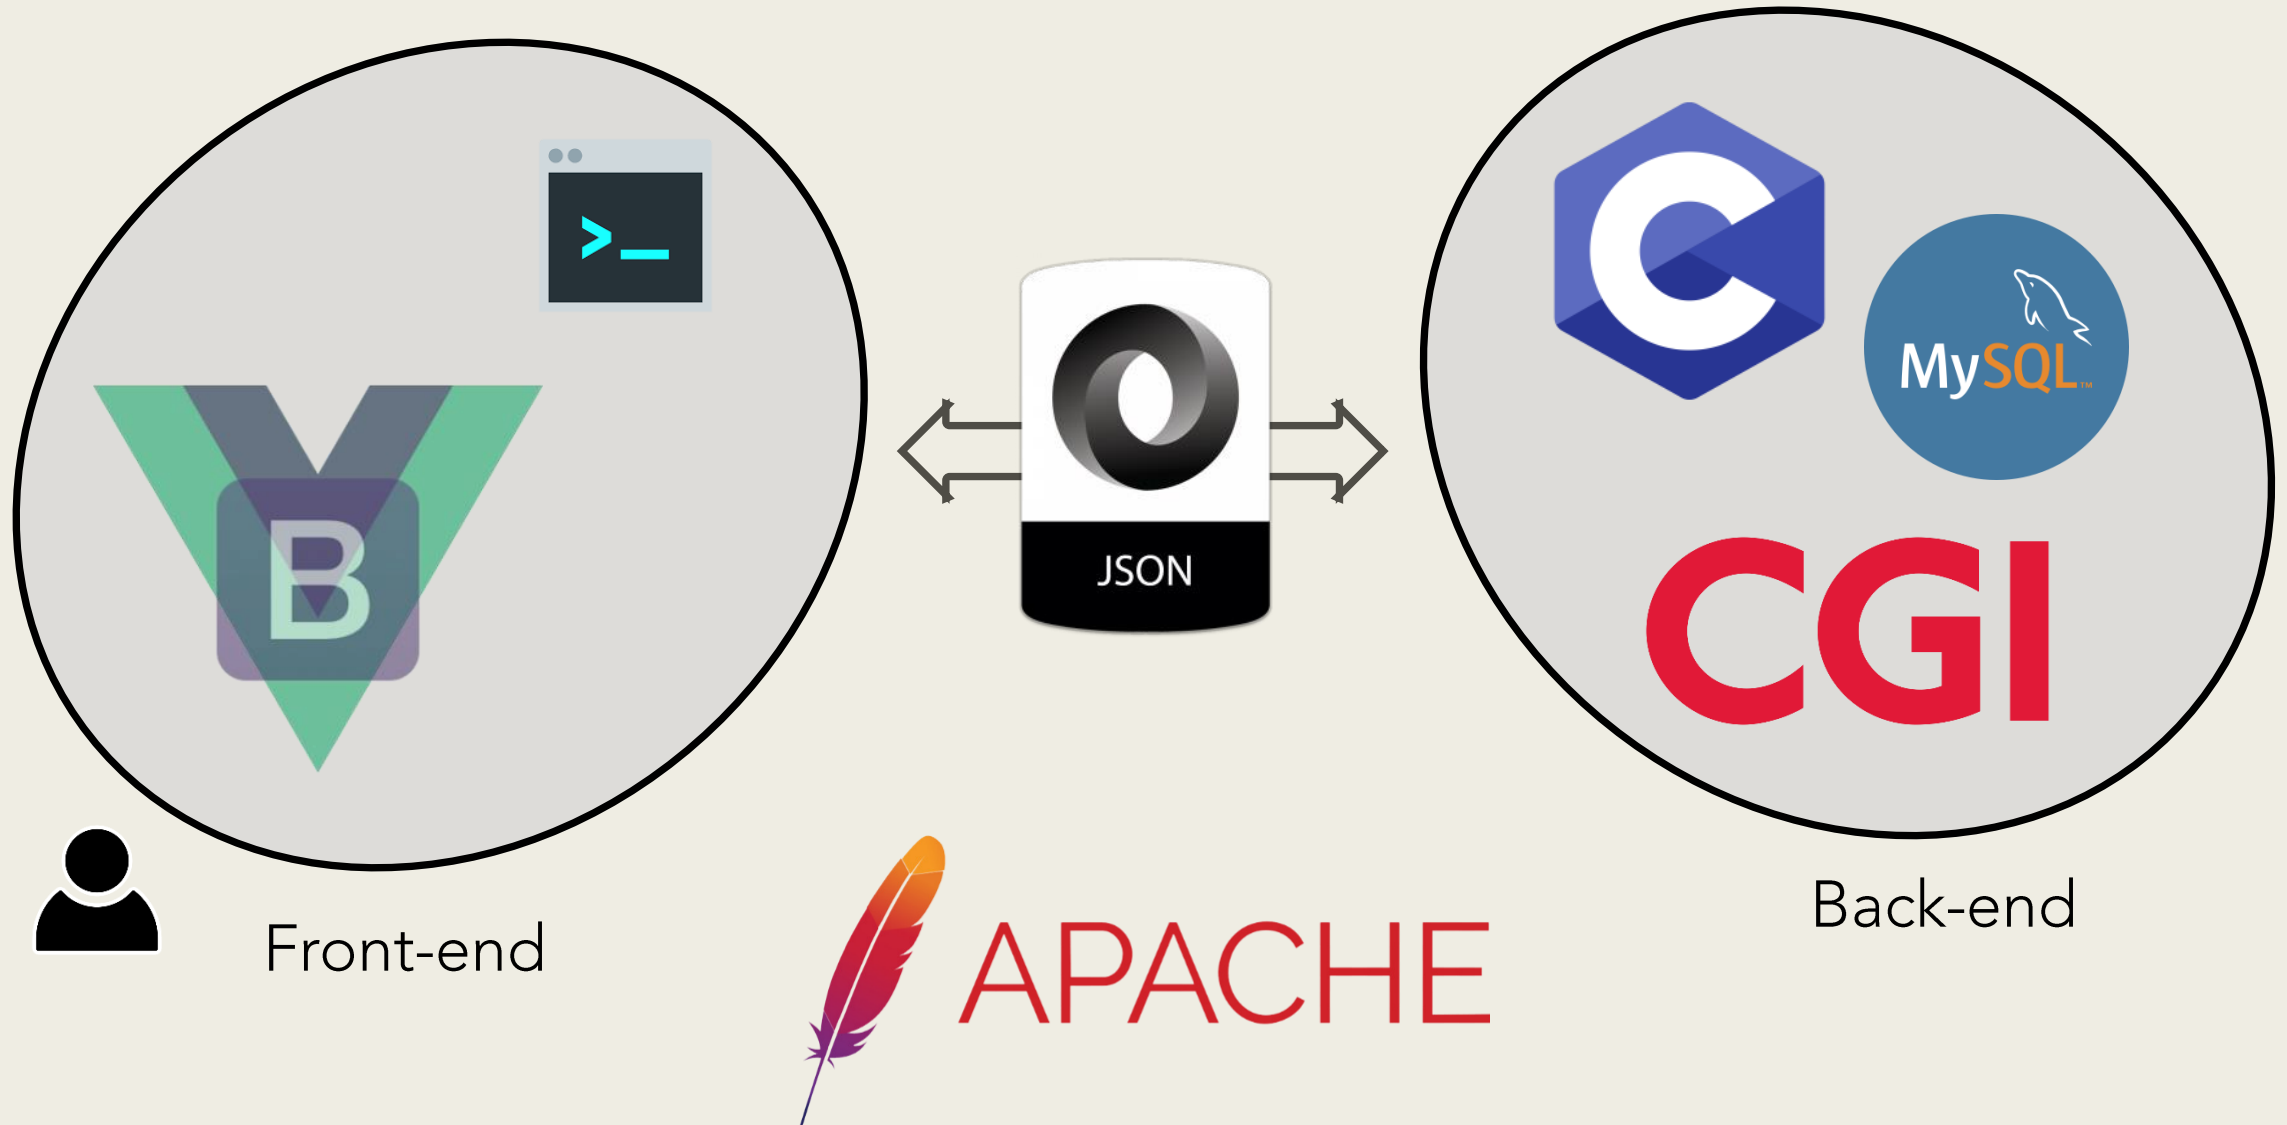

The screenshot shows a web browser window with the address bar displaying 'localhost/suit/new/home.html'. The page features a search bar at the top with the placeholder text 'Type to Search'. Below the search bar is a table with five columns: 'First name', 'Last name', 'Birth date', 'Salary', and 'Actions'. The table contains six rows of data, each representing a candidate. The rows are color-coded: the first three are pink, the fourth is green, and the last two are pink. Each row has an 'Actions' column with three icons: a vertical ellipsis, a pencil (edit), and a trash can (delete).

First name	Last name	Birth date	Salary	Actions
Emanuele	Rizzi	2000-01-01	0	  
Giuseppe	De Santis	2000-01-01	0	  
Giuseppe	Lepore	2000-01-01	0	  
Marcello	Tarallo	2000-01-01	25	  
Martino	Pagano	2000-01-01	0	  
Raffaele	Del Basso	2000-01-01	150	  

# How is it made?

# How does it work?

The software has a top section which contains the search bar and the filter panel, and the main section which shows the candidates in a table.

First name	Last name	Birth date	Salary	Actions
Emanuele	Rizzi	2000-01-01	0	  
Giuseppe	De Santis	2000-01-01	0	  
Giuseppe	Lepore	2000-01-01	0	  
Marcello	Tarallo	2000-01-01	25	  
Martino	Pagano	2000-01-01	0	  
Raffaele	Del Basso	2000-01-01	150	  

# Search and filters • Search bar

The search bar allows you to search for a candidate by first name and last name using the incremental search method (*case insensitive*).

<input type="text" value="c"/>  				
First name	Last name	Birth date	Salary	Actions
Marcello	Tarallo	2000-01-01	25	  
Roberto	Clemente	2000-01-01	0	  
Simone	Cacciapaglia	2000-01-01	25	  

# Search and filters • Filters

The following panel allows you to apply and combine filters in order to show specific candidates.

☐ Show unemployed candidates

☐ Show deleted candidates

Salary:

Min:

 

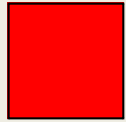

Max:

 

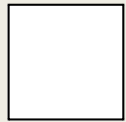

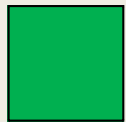

# Rows and candidates

Deleted candidate

Non-deleted and non-employed candidate

Hired candidate

Roberto	Clemente	2000-01-01	0	  
Simone	Cacciapaglia	2000-01-01	0	  
Simone	Verna	2000-01-01	0	  

# Action list • Details

This button allows you to see all the candidate information.

Giuseppe	De Santis	2000-01-01	0	  
Giuseppe	Lepore	2000-01-01	0	  
<div><div><div><b>Full name:</b></div><div>Giuseppe Lepore</div></div><div><div><b>Birth date:</b></div><div>2000-01-01</div></div><div><div><b>Employed:</b></div><div>No</div></div><div><div><b>Salary:</b></div><div>€ 0</div></div></div>				

The row expands and shows the following information:

- Full name;
- Birth date;
- Whether he/her is employed or not;
- Salary.

In the future there will be also:

- Contacts;
- Notes.

# Action list • Candidate modification

This button lets you edit the candidate information.

# Conclusions

Therefore our software has the goal of simplify the management of candidates for the company.

Next implementations:

- *Add, edit and remove a candidate;*
- *Log-in system;*
- *New filters.*

The app might be updated in the future to allow to manage all the human resources of the company.

Thank you for the attention.
